

Contemporary and
practical

FRAMELESS SHOWER SCREENS

Sunstate Glass is the leading provider of shower screens and shower panels on the Sunshine Coast. Frameless showerscreens provide the ultimate contemporary look, creating a feeling of space & elegance in any bathroom. With their seamless design, frameless shower screens are the easiest to clean. Frameless showerscreens are available in a variety of configurations, including hinged, sliding door and fixed panel, using 10mm toughened frameless glass.

Our shower screens are available in clear, fluted and obscured glass, and can be made with radius corners. Choose from a range of designs, colours and quality hardware to suit your bathroom design.

Bespoke design

Our showerscreens have customisable features and finishes include silver, black, pearl white, matt gold and gun grey.

Stylish and practical

Our showerscreens are custom-made to your configuration, to maximise space and style.

Premium quality glass and hardware

We use toughened glass and the highest quality European hardware on the market, guaranteeing durability.

Trusted & reliable

Our experienced team of glass installers provide a high quality and professional installation, exceeding expectations.
