SEMI-FRAMELESS SHOWER SCREENS

Sunstate Glass is the leading provider of shower screens and shower panels on the Sunshine Coast. Our semi-frameless screens and doors are stylish yet affordable, and are designed with versatility to adapt to numerous applications and configurations, including front and return, front only and batwing.

Our shower screens are available in clear and obscured glass. Choose from a range of frame colours and quality hardware to suit your bathroom design. We use only the highest quality framing and hardware, and our services come with a warranty for your piece of mind.

Stylish and practical

Our showerscreens are custom-made to your configuration, to maximise space and style.

Bespoke design

Our showerscreens have customisable features and finishes include silver, black, pearl white, matt gold and gun grey.

Premium, trusted & reliable

Our experienced team of glass installers provide a high quality and professional installation, exceeding expectations.
