

Contemporary and
practical

COMMERCIAL SPACES

Installing internal glass partitions to your office provides a contemporary look, maximising the light, whilst also dividing a space to create a sense of privacy.

Framed or frameless designs are available in a range of colours and finishes, and are custom made to your requirements. We offer full-sized glass walls, room dividers and office partitions, in a range of glass types including laminate, obscure and acoustic.

Safe and secure

We use quality Australian toughened safety glass to ensure your business is safe and secure. Acoustic and obscure glass provide privacy and security.

Compliant

Our products and workmanship complies with the Australian Glazing Standards and comes with an industry standard guarantee.

Premium, trusted & reliable

Our experienced team of glass installers will provide a professional installation in a timely manner, with minimal disruption to your business.
